

Oak Brook

2008 CCA Spring Membership Meeting

Please make your reservation early to ensure you won't be left out of enjoying a delicious Italian dinner and the opportunity to network with your fellow CCA members. The late April weather should be beautiful and together we can all say..... "thank goodness winter is over." So let's get back to what we do best...."place concrete in Chicagoland and break some Italian bread with our concrete colleagues and friends"..

*"We look forward to seeing all of you In **Oak Brook** on **Thursday, April 24th***

2008 Spring Membership Meeting

Thursday
April 24th

Mike North from 670 THE Score Radio will be the guest speaker for the evening at **Maggiano's Little Italy in Oak Brook**. If you recall, Mike joined us at our 2005 Fall Meeting at Shaw's Crab House. Mike was very entertaining back then so we thought it was time to get Mike's latest **unbiased** opinion on Chicago and especially Chicago sports.
