JANUARY 9 | 7:30 AM
BLUEBEAM + BREAKFAST

WHAT YOU'LL LEAVE WITH:

- How to redline PDFs with customizable clouds, callouts, CAD symbols and more.

- Save custom annotations in the Tool Chest for easy reuse.

- Assign responsibilities and keep tabs on project progress while auditing what changes are being made to each revision.

- Significantly cut down the hours spent on the design review process using Revu's integrated real-time collaboration solution, Bluebeam Studio.

IMPROVE YOUR
DESIGN REVIEW PROCESS

This presentation will focus on increasing your efficiency by using Bluebeam Revu. Once the PDFs have been created, we will show you how you can assign responsibilities and keep tabs on project progress while auditing what changes are being made to each revision.

Significantly cut down the hours spent on the design review process by leveraging both the power of Bluebeam Revu and Revu's integrated cloud-based solution, Bluebeam Studio, for real-time collaboration. There are no limits to what you can achieve with Bluebeam solutions.

To find out what you've been missing, call us today at **1.888.451.9980** or visit us at **www.mg-aec.com/bluebeam**.
